

Casper

The Better Way To Manage Your Case Load.

Features

Casper is a time-driven case management system.

- Time Tracking for Billable & Non-Billable Activities
- Billing Component
- Client & Case Manager Reports
- Case Manager Statistics
- Organizational Statistics

Pricing

\$5,000
+
\$7.50/Client

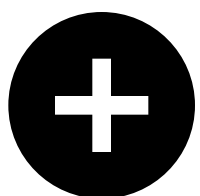

This price includes a license for Casper Case Management Features for one year. Additional features may be purchased for an additional cost. Some new features will be added at no additional cost.

Security

Security is a primary focus with Casper.

- HIPAA Compliant
- Data at Rest is Encrypted
- Data in Transport is Encrypted
- Logs are Stored for 7 Years
- Backed Up Daily

New features are being added all the time, and many of them won't cost you anything! If you need specific functionality that is not currently present, we will work with you to build a custom solution for an additional charge.
